conference]

Malmö 2026

The slide features a black background with white text. On the left and right sides, there are decorative elements consisting of multiple wavy, vertical lines in various colors including orange, yellow, light blue, purple, and green. These lines are of varying thickness and curve, creating a dynamic, organic border effect.

You (yes, *you*)
are awesome.

Thank You
for being here!

Thank you for all the talk submissions!

We had twice as many as we could fit!
